Re: Certification Of High Cost Support For Rural Carriers And Competitive ETCs  
Pursuant To 47 C.F.R. § 54.314, CC Docket No. 96-45

Dear Ms. Dortch and Ms. Majcher:

On September 21, 2005, the Iowa Utilities Board (Board) filed a certification regarding federal high cost support provided to rural carriers and competitive ETCs in the state. On September 30, 2005, the Board granted ETC status to D-C Communications (Study Area Code To Be Determined). On November 1, 2005, the Board granted ETC status to FMTC Wireless, Inc. (Study Area Code To Be Determined). In addition, on November 18, 2005, the Board granted ETC status to the following carriers: Baldwin-Nashville Telephone Company, Inc. (Study Area Code To Be Determined); Olin-Morley Wireless Telephone Service (Study Area Code To Be Determined); Onslow Cooperative Telephone Association (Study Area Code To Be Determined); and Rockwell Cooperative Telephone Association (Study Area Code To Be Determined). The aforementioned carriers should be added to Iowa's list of carriers certified by the Board pursuant to section 54.314 of the FCC's rules (47 C.F.R. § 54.314).

Please contact Jim Langenberg at (515) 281-5695 if there are any questions concerning this matter.

Sincerely,

  
Judi K. Cooper  
Executive Secretary
